TriestEspresso Expo confirms the dates for 2022. The biennial fair dedicated to sector professionals will take place from October 27th to the 29th and remains the most important international event dedicated to the entire coffee production chain.

TriestEspresso Expo, organized by Aries scarl-Chamber of Commerce Venezia Giulia, in collaboration with the Associazione Caffé Trieste, will take place in the Porto Vecchio (old port) of the region Friuli Venezia Giulia's capital, within the new and modern Trieste Convention and Exhibition Center, set among the evocative warehouses of the old port of Trieste, the city's ancient harbor port.

The tenth edition will mark the occasion for the sector to start afresh after the two year hiatus caused by the Covid-19 pandemic. We are already working on a programme of high level collateral events, dedicated to the most current topics and with the participation of international level experts.

TriestEspresso Expo is an event exclusively dedicated to a public of international professionals, featuring an exhibition area of around 200 exhibitors showcasing some of the key brands in the sector.
